1689 Oakdale Avenue West St. Paul, Minnesota 55118 Tel: 651-552-8554 Fax: 651-552-1799 Toll Free: 877.463.7225

Prime Design USA develops, manufactures and distributes professional roof racks for light commercial vehicles. The products are TÜV certified and received recognition awards for quality, functionality and safety. The solutions convince with state of the art materials and technologies as well as user friendly innovations.

Prime Design Ladder Racks are protected by one or more of the following patents: 5,297,912; 6,092,972; 6,099,231; 6,202,807; 6,427,889; 6,764,268; 6,971,563

FOR EVERY TYPE OF VAN, SHORT OR LONG WHEEL BASE, REGULAR OR HIGH ROOF TYPE ALURACK™ IS THE ROOF RACK OF CHOICE.

The patented basic model may be expanded with a wide variety of accessories. It can be easily mounted to existing mounting points on the roof. The light weight and yet rugged design offers economy, a rapid pay-back period and it is safe.

REAR ROLLER

This roller makes loading and unloading of ladders and long objects from behind the vehicle easier.

Durable, lightweight anodized aluminum enhances vehicle's professional image.

Improve productivity – Easily unload and load cargo with assistance from the standard rear roller.

INSTALL USING THE ROOF GUTTER OR EXISTING MOUNTING POINTS IN THE ROOF, WITH OR WITHOUT AN ADDITIONAL CHANNEL

ALURACK™ FITS EVERY TYPE OF VEHICLE
